Your personal life and relationships affect your health more than you realize, so your doctor and other providers need to know your story.

We should all feel safe talking about our sexual partners, sex lives, sexual orientation, HIV status, and gender identity.

Right to be treated with equality and respect
Right to protections if you are discharged due to discrimination
Right to help designating who will make decisions for you
Right to affirmation of your true gender identity
Right to help designating who will make decisions for you
Right to visitation by anyone you choose
Right to your privacy
Right to protections if you are discharged due to discrimination
